

65" DURASCREEN KX DIGITAL SIGNAGE

Full Sun Outdoor Display

PVO65DSA

The **ProofVision Durascreen KX 65"** is a commercial-grade outdoor digital signage solution built for reliable performance in challenging environments. With a 2500-nit high-brightness panel, IP66-rated enclosure, IK10 impact resistance, and an integrated Android OS, it's ready for seamless integration into AV systems across retail, transport, and public spaces. Its slimline form factor and all-weather durability make it a practical choice for exposed or space-constrained installations, delivering consistent visibility and minimal maintenance over time.

Perfect for

Outdoor retail & large-format signage

Public venue communications

Smart cities and transport hubs

Hospitality, entertainment & sports venues

Wayfinding & digital advertising networks

Key Features

4K UHD Resolution

Ultra-sharp picture quality at scale
